EASI-DRIVE RAISES TASH-TASTIC FUNDS FOR CANCER CHARITY

Male employees at Easi- Drive have raised thousands of pounds for a cancer charity by growing moustaches during November.

Over 15 staff from the accident management firm have collected a hair-raising £3000.00 for the UK's Prostate Cancer Charity by taking part in 'Movember'.

Originating in Australia, Movember is an annual charity event that calls on men across the world to 'grow a mo' in a bid to raise funds and awareness of male health issues, including prostate cancer.

Commenting, Easi-Drive's managing director, Simon Bellamy said: "We are delighted with how much we have raised for such a worthy cause - it's testament to so many of the guys here getting into the spirit of things."

Every year about 35,000 men in the UK are diagnosed with prostate cancer and about 10,000 men die from the disease. A British man has a 1 in 11 chance of developing the disease.
