

“PAT CROWNED EMPLOYEE OF THE QUARTER”

Easi-Drive's Pat Scott has been awarded with a cash prize from Easi-Drive for her outstanding efforts to the business over the past three months.

Married, mother of three, Pat has won the title of Claims Handler of the Quarter.

Pat, who has been with the company for two years, was awarded the prize by colleagues in the Claims Handling department, and received a cheque for £300 – not a bad start to 2009!

As part of the taxi claims team at Easi-Drive, Pat deals with new and existing claims on a day-to-day basis, assisting clients who have been involved in non-fault accidents.

Now with £300 prize money in her back pocket, she has decided to treat herself and two friends to a girlie weekend in sunny Benidorm!

Commenting on her award, Pat said: "I am delighted with the award. Its really given me a boost to know that people I work with recognise the effort that I have put in over the last months. It's a great place to work.

"My prize money has paid for three flights to the sunshine, so I can't wait to get over to Benidorm with my girlfriends in February!

"I believe they are filming the next series of the hit TV show Benidorm while we are out there, so you might even see me in the background as an extra when it's back on our screens!"
